# AIDS QUILT

On November 12, 1990 the Names Project visited St. Michael's campus. The Names Project was established in June 1987 in response to the devastation caused by the disease AIDS. The Names Project has sought to reach all those affected by the AIDS epidemic. The Names Project, AIDS memorial quilt serves as a reminder of those who have died of AIDS and a reminder of the enormity of the AIDS epidemic.

According to the World Health Organization there are over 100,000 reported cases of AIDS in the U.S. and over 54,000 Americans have died of AIDS.

St. Michaels Field Hockey wraps up another successful season. After opening the 1990 season with two straight losses, the Lady Knights were one of the ECAC's hottest teams, winning nine and tying one of their final 13 games. Included in that finish was a seven game unbeaten streak that ran from September 30th to October 21st. Of their losses, four of the five were by one goal, and two came in overtime. The Lady Knights held the opposition to one goal or less in 10 of 15 games. The Lady Knights also outshot the opposition 435-255. The final game of the season, a victory over Bridgewater State, was head coach Anne Noone's 50th career victory. The Lady Knights look forward to next season with nine returning starters, but will miss the experienced play of senior Co-captains Denise Burke and Stacie Arnold.

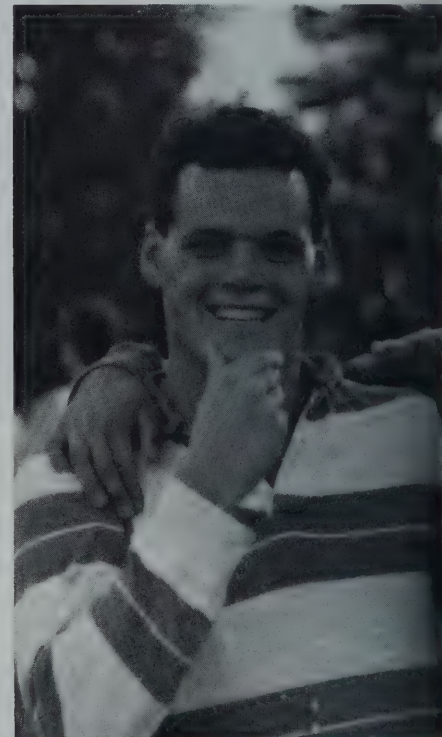

# RUGBY

The rugby team this season, with captains John Costigan, Rob Martone, Brian Sweeny, and faculty member Doug Facey, brought the team to a 7-2 season. The success of the team was due to the hard work and commitment of its members. This year we had 20-25 new members which was the biggest turnout the team has ever seen. To further the sport at Saint Michael's we hosted the Second Annual Saint Michael's Rugby Football Tournament organized by our match secretary Chris Lagan. Six teams were represented, including the Saint Michael's Alumni Old Boys. The Saint Michael's A-team held Green Mountain College, Bishops University, and in the finals, Keene State (20-0) scoreless to win their second consecutive tournament title. The team wrapped up its season on the road against Saint Anselm's College. The game was the hardest hitting game of the season with several players having to leave the game. Saint Anselm's was leading 6-4 with 3 minutes left, when Chris Hartigan dropped kicked a field goal to put Saint Michael's ahead 7-6 for the win! The Saint Michael's Rugby team would like to send its condolences to the Murray family, whose son Dan, was at every match faithfully showing his support and friendship.

The season began with high expectations as the team was ranked Number 2 in the Northeast Ten Conference. The team prepared to battle their opponents as they battled mosquitoes at 5:00AM preseason practices. Off to a slow start the team was determined to make the most of the season, which began with a 1-0 defeat over Quinnipiac College. The bananas kicked in and the team made it to the Northeast Ten Playoffs where they suffered a tough loss in the quarterfinals to A.I.C. The Purple Knights came a long way as a team and they wish everyone the best of luck next year, and remember- IT'S TODAY!

The men's soccer team finished the regular season with a record of 7-10-1, just missing the opportunity to go to their fourth straight post-season tournament. Team co-captain Mike Callahan '91, twice selected to the Northeast-10 honor roll during the season, was named All-Conference Second Team for the third straight year. The team's leading scorer this season, Callahan also cracked the Top-10 career scorer's list, moving into eighth place with 34 career points. Co-captain Pat Mellor '91, who finished his great career with 29 points, was also selected All-Conference Second Team. Jeff Winterton '93 finished second to Callahan in the team scoring race, and was named All-Conference Honorable Mention. Goalkeeper Jon Zaffino '94 broke the College's record for saves in a game when he made 29 against New Hampshire College on October 16. He was named the Conference's Player of the week for his efforts.

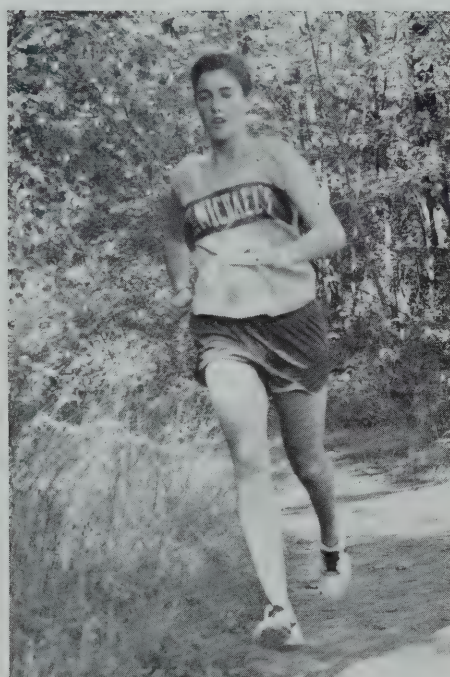

# WOMEN'S CROSS COUNTRY

*Left to Right:* Head Coach, Margaret DiMasi, Colleen McBrien, Lynn Williamson, Beth Mullane, Maryann Chaye, Kathy Shevlin, Jen Whitaker, Amy Hessler, Annie Varricchione, Manager, Matt Staab.

We started the season on September 8th at home on a positive note. The women won the Invitational over Johnson, Norwich and Plattsburgh. On September 15, we went to the Bryant Invitational where the competition was tough. We placed 6th out of 16, and we placed 3rd in our conference at this meet. On September 28 we went to the Vermont State Championship at Johnson State. Here placed 3rd overall. The next two weeks we had three dual meets, winning two. October 20 we were at the NE-10 Championship at Saint Anselm's. Here we were hoping to beat Saint Anselm's and come in second place, but we came in 5th after running very hard. We ended the season at NCAA's-ECAC's on November 13 at Kutztown University in Pennsylvania. Here we placed 16th overall.

The 1990-91 Men's Cross Country Team had another fine year under the leadership of seniors Tom "Chicken Hawk" Flaherty, John "Boris" Dempsey, and Steve "Stevie B"-"/So-crates" Brazeau. The team started the season off with an impressive win at the Vermont State Cross Country Championship, third in the Northeast-10 Conference Championship and finished off the season as the "14th" best Division II team at the Eastern Conference Championships. Much was said and done during the season, like, "Cross Country running is 40% physical and 60% mental", "I don't want to hear it", "Dig Deep" and "Bear Down" (grizzly type).

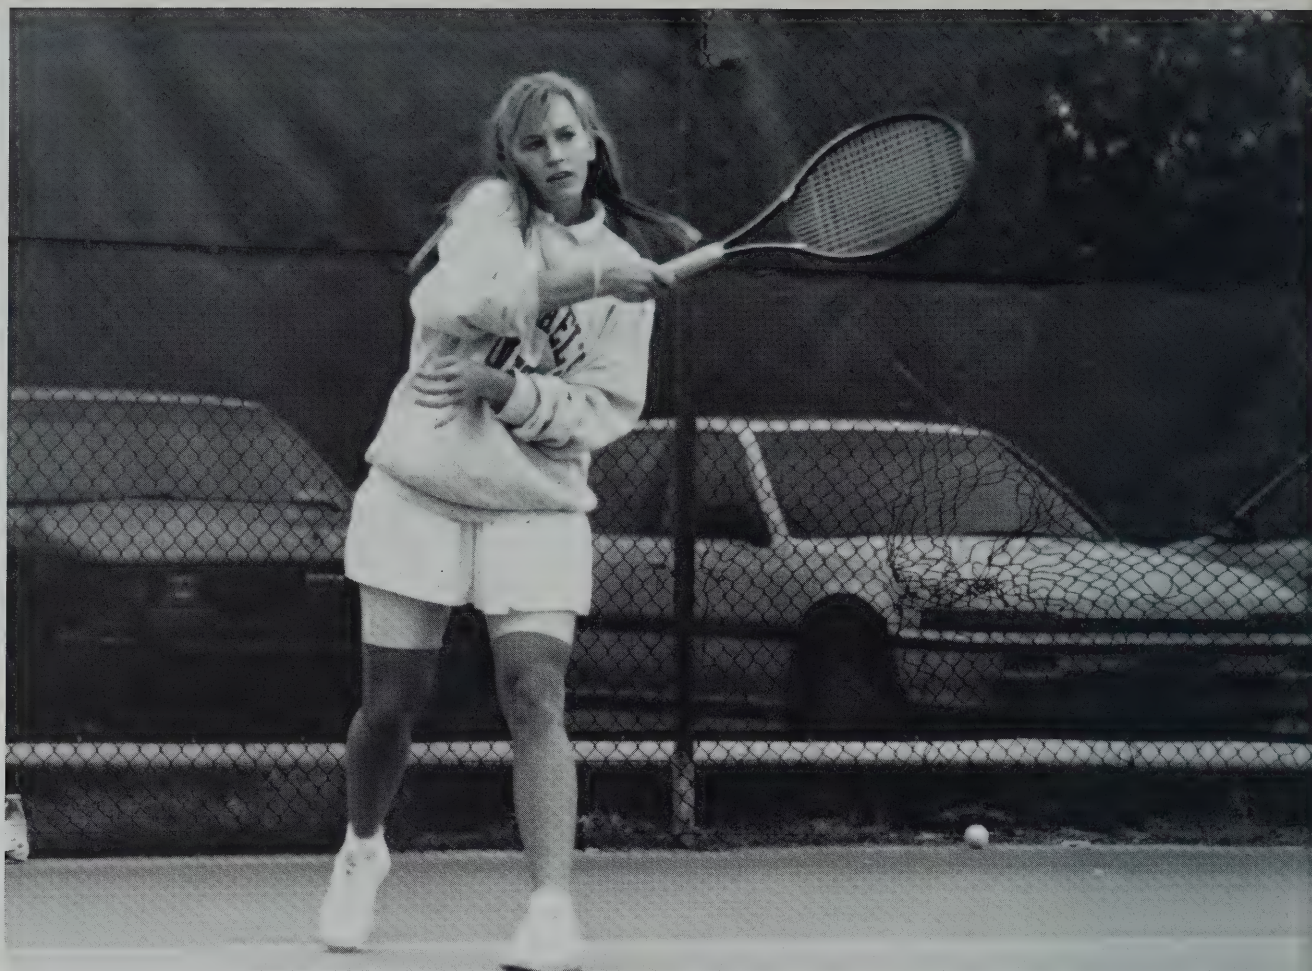

Long after the season is over, with its hard work and long practices, we will always remember the good times we had together.

# WOMEN'S TENNIS

Team Members: Kristine Keniston, Tabatha Small, Jane Greene, Deena Miller, Kerry Hctor, Kelly Meehan, Kelly Newman, Sue Asselin, Nikki Reuschel, Heatherly Hill, Lindsay Hill, Jennifer Klauber and Bonnie McLeod.

The women's tennis team endured a tough schedule and winless season. Despite this season's 0-9 record, first-year coach Larry Bayle has reason for optimism, as the young team will return ten players next year. Among those women will be Deena Miller '93 and Heatherly Hill '94, who played the #1 and #2 seeds for the majority of the season.

# GOLF

Members: Kevin Catineau, Bill Gorman, David Grant, Roy Hathorn, Joe King, Phil Leiss, Eric LaBounty, Keith Michavich, Tony Keane.

The golf team bested 15 of the 46 schools they competed against in match play this fall, with #1 player Eric LaBounty '91 the team's most consistent scorer. However, coach Ernie Guilmain has two talented young players returning who were right with LaBounty in most of the fall's tournaments: Tony Keane '93 and Keith Micavich '94. Guilmain also became the winningest coach in the golf program's history this season.

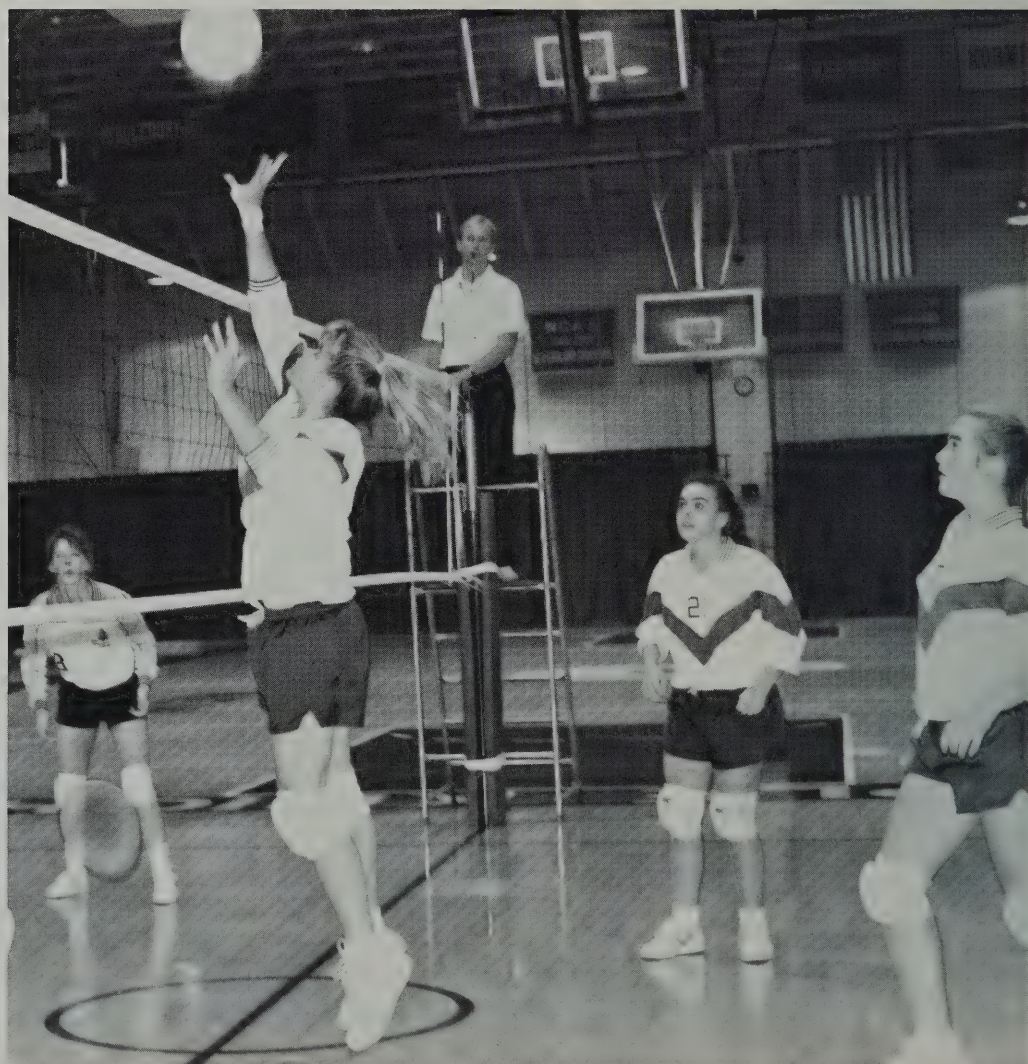

# VOLLEYBALL

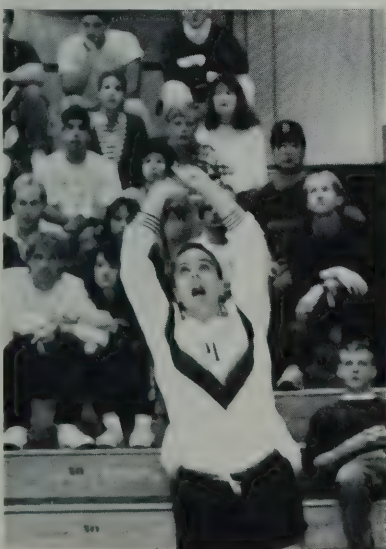

*Top: Coach Rick Gouse, Stephanie Fuccarole, Megan Gately, Lori Burnell, Kim Beatty, Head Coach, Lenn Johns. Bottom: Mary Grace, Kim Kiefer, Julia Kinney, Kim Galvin, Katy Largy, Sherri Sawyer.*

Although finishing the season at 11-17 the Lady Knights surpassed the old record of most wins in a season (9), participating in their most difficult schedule in SMC history. When asked about the level of play in her 4 years, senior co-captain and MVP Julie Kinney said "Its hard to believe how much we have progressed in our style and level of play from my freshman year." Highlights of the season include second place finishes at both the Clarkson-Potsdam and Plattsburgh Tournaments and the first trip to the NEIO championship tournament. Other team landmarks include a top 10 national ranking in both blocking and serving, while individually, freshman Sherri Sawyer became the first Lady Knight to receive All-Conference recognition since SMC joined the NEIO four years ago.

"Good-bye my dear friends"

I will carry you with me all the rest of my days, like faded and wrinkled pictures in my wallet, taking you out once and a while and remember. It's dark outside and a long walk home, but I know I will smile all the way.

To laugh often and much, to win the respect of intelligent people and affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends, to appreciate beauty, to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition; to know even one life has breathed easier because you have lived, This is to have succeeded.

Head Coach Sue Duprat led her Lady Knight basketball team to their third consecutive winning season this year, finishing with a final season record of 17-11. For the second year in a row, the Lady Knights finished the regular season in third place (behind national powers Bentley and Saint Anselm), and played in both the NE-10 and ECAC championship tournaments. The Lady Knights spent two weeks on the National Top 20 list (one week at #17 and one at #16), marking the first national ranking in the program's 17-year history. The team's 17th win of the season, a 90-77 overtime thriller at Bryant, marked the 200th career win of Sue Duprat's illustrious career. Duprat became only the fifth coach in New England Division II history to reach the 200-win plateau. Amy Molina '93 led the team in scoring for the second year in a row, averaging 15.3 points per game. She was named All-Conference Second Team at the close of the season. Karen Monahan '92 and Sarah Turkington '92 also maintained double-figure scoring averages, scoring 12.2 and 12.0 per game respectively. Captain Anne Marie McLoughlin '91 finished the season averaging 9.0 points per game and a team high 3.9 assists per game, and will graduate owning seven three-point shooting records at the College.

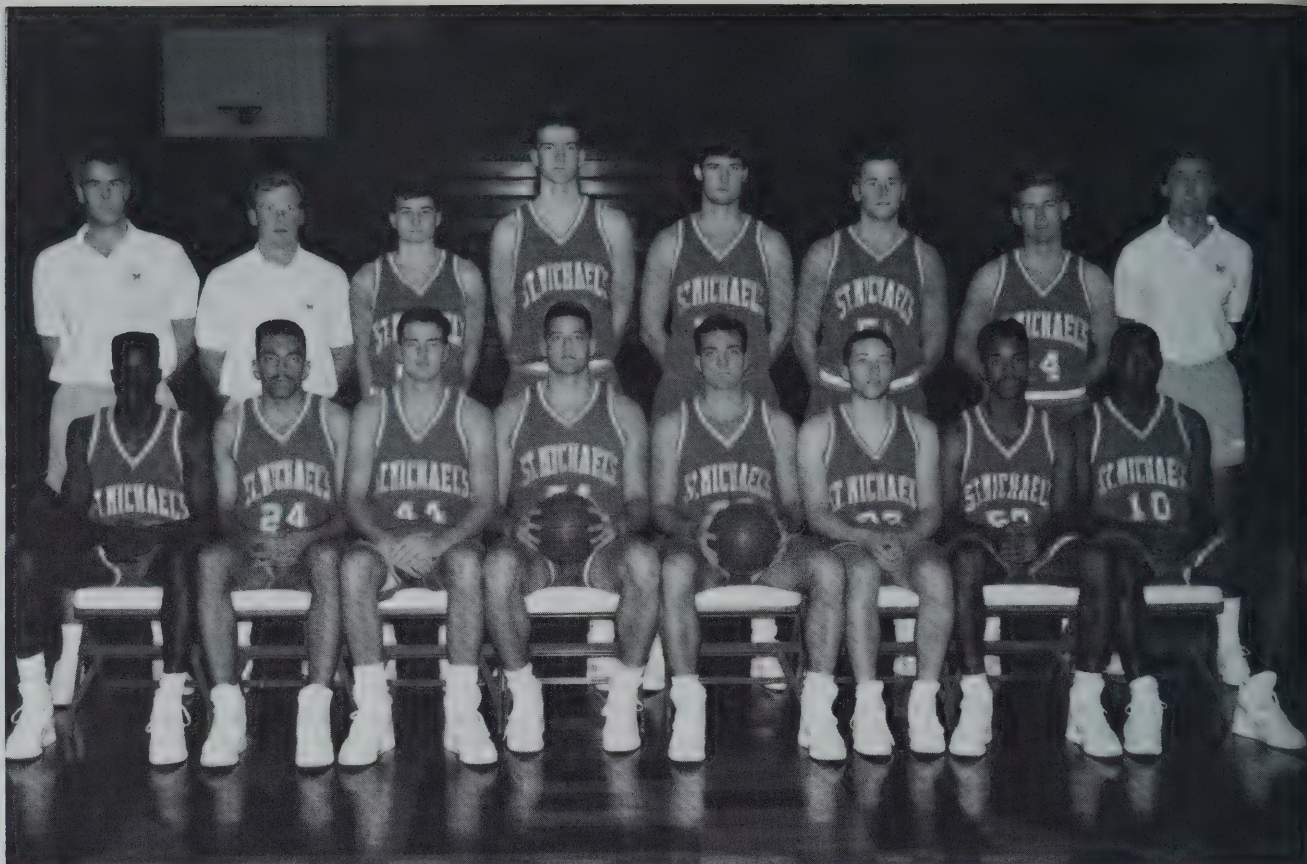

# MEN'S BASKETBALL

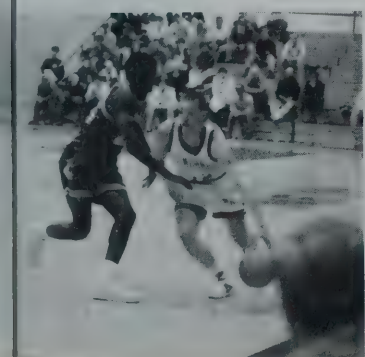

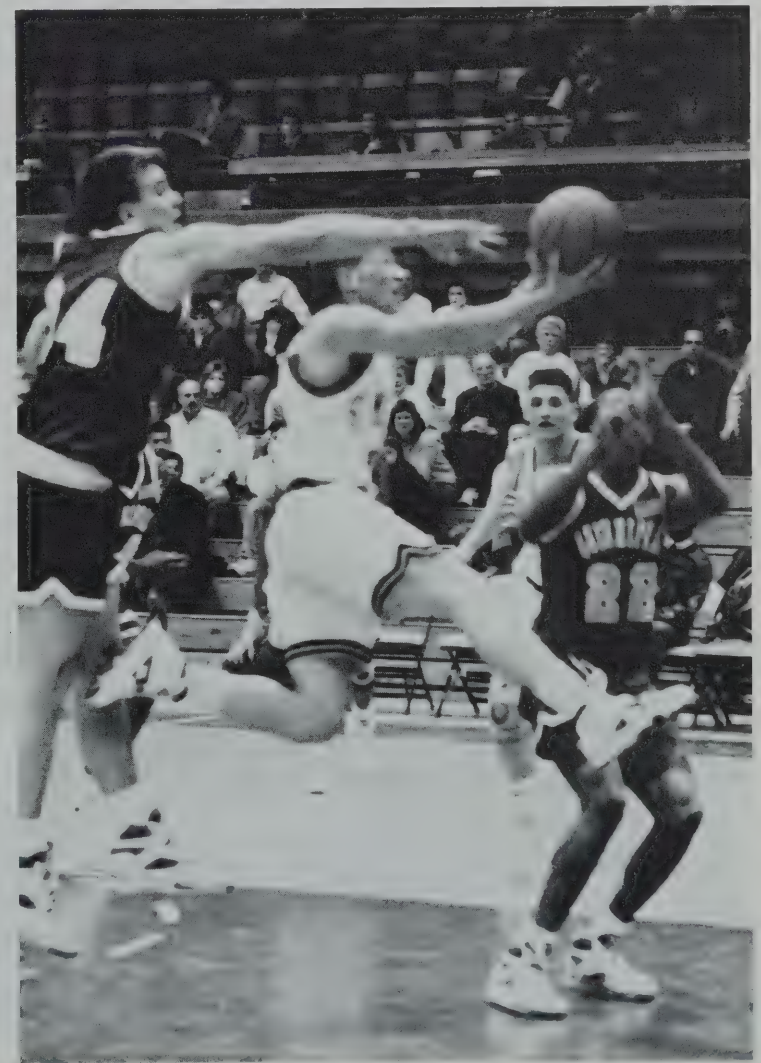

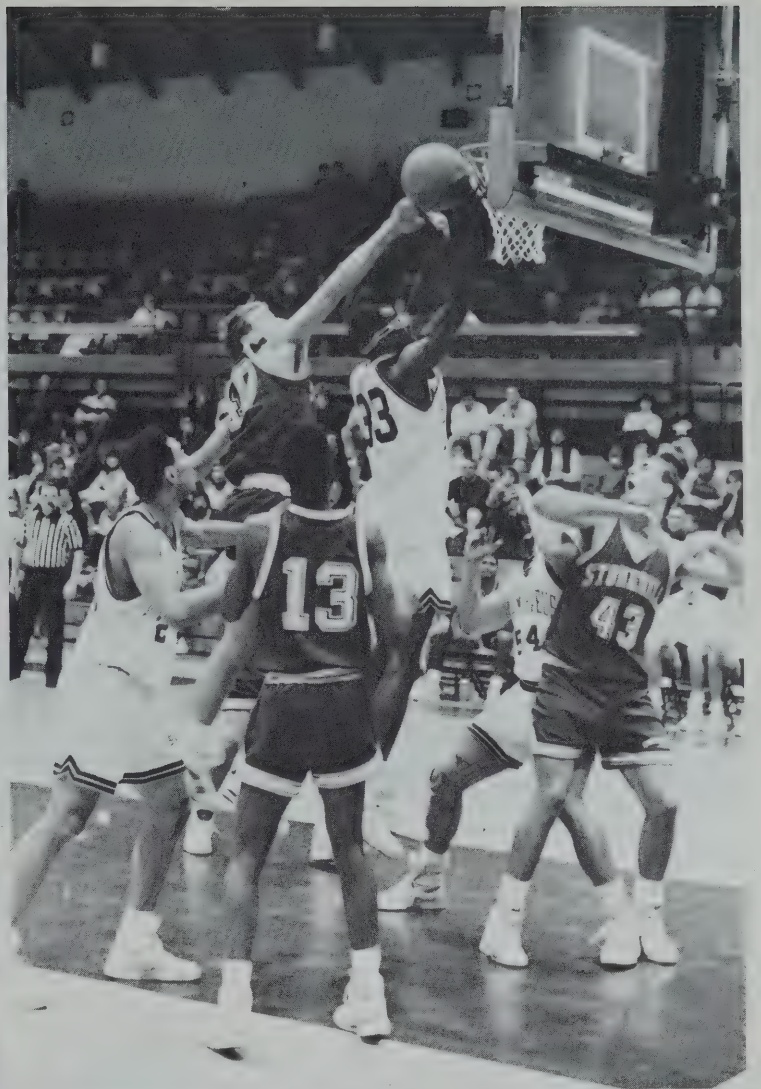

Top: Coach Mark Schmidt, Coach Tom O'Shea, Justin McDonald, Justin Smith, Dennis Newman, Timothy MacDonald, Gerard Devine, Head Coach Tom Crowley

Bottom: Keith Odums, Troy Brown, Dave Bierwirth, Bryan Duffy, Tom Dunn, Paul Culp, Alexis Sherard, Monroe Blakes

The rebuilding process continued for first-year head coach Tom Crowley's Purple Knights this season, as they posted their second consecutive losing season, and missed the NE-10 playoffs for the first time since joining the conference in 1987. With a little luck their record might have been much different, as they lost seven games by four points or less. Despite the youthful roster (captain Bryan Duffy was the team's only senior), the Knights began to come on strong late in the season in the playoff stretch. After a one-point overtime win over Springfield and tough losses at A.I.C. and Stonehill, SMC turned two big upsets: an 84-76 win over Bentley, and an 85-83 decision over Quinnipiac. Monroe Blakes '92 led the team in scoring this season, averaging 15.7 points per game. Transfer guard Juddy McDonald '93 made a big impact on the Knights, finishing just behind Blakes in scoring with a 15.5 points per game average. McDonald also led the NE-10 in three-point shooting, hitting 43 percent of his attempts from outside the arc. Bryan Duffy wrapped up his career averaging 8.5 points and 6.1 rebounds per game.

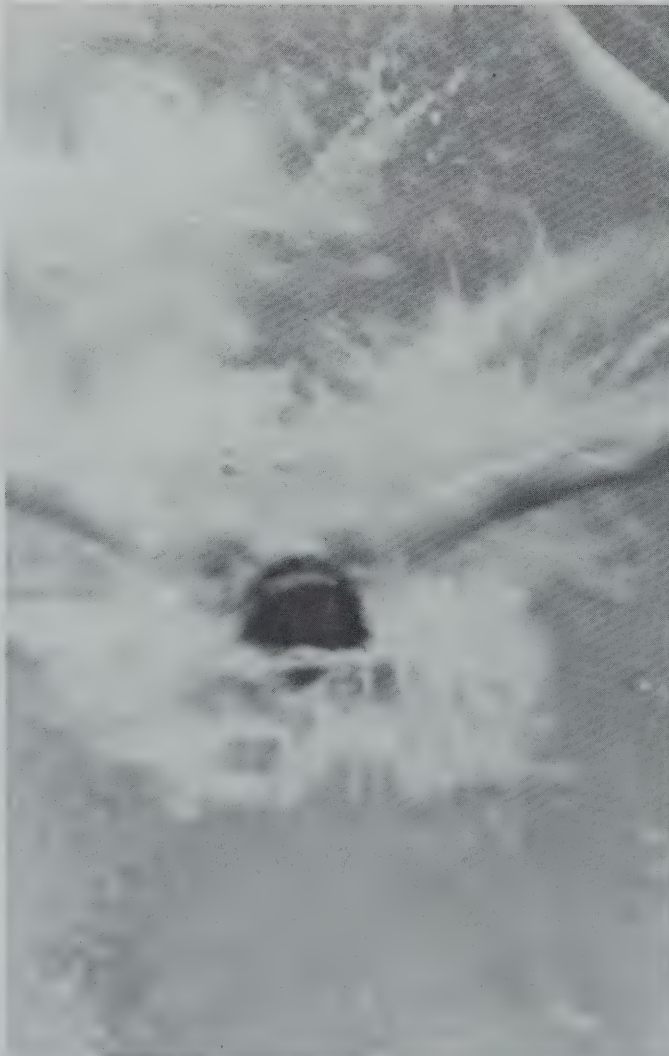

# MEN'S SWIMMING

The men's team finished the year at 4-5, the team's highest win total in five years. The Knights qualified seven swimmers for the New England Championships after the state title meet: team captains Jeff Brazinsky '91 and Tom Kane '91, Jim Stuart '92, Charles Brewer '94, Jim Dowd '94, Jermeiy Kane '94 and John Swan '94. Sadly, head coach Danita Pokorny decided to step down from her coaching duties at the close of the season. Pokorny had been coaching at Saint Michael's for the past seven years. With 51 meet victories, she is the winningest coach in the swim program's 17-year history, and will be dearly missed.

Team Members: Jeff Brazinsky, Tom Kane, Michael Frye, Kevin Bourke, Brett Hubbard, John Kennedy, David Lardizzone, James Stuart, David Veilleuz, Charles Brewer, James Dowd, Greg Gagnon, Jeremy Kane, John Swan, Manager Megan McCormick, Coach Danita Pokorny, Asst. Diane Daly

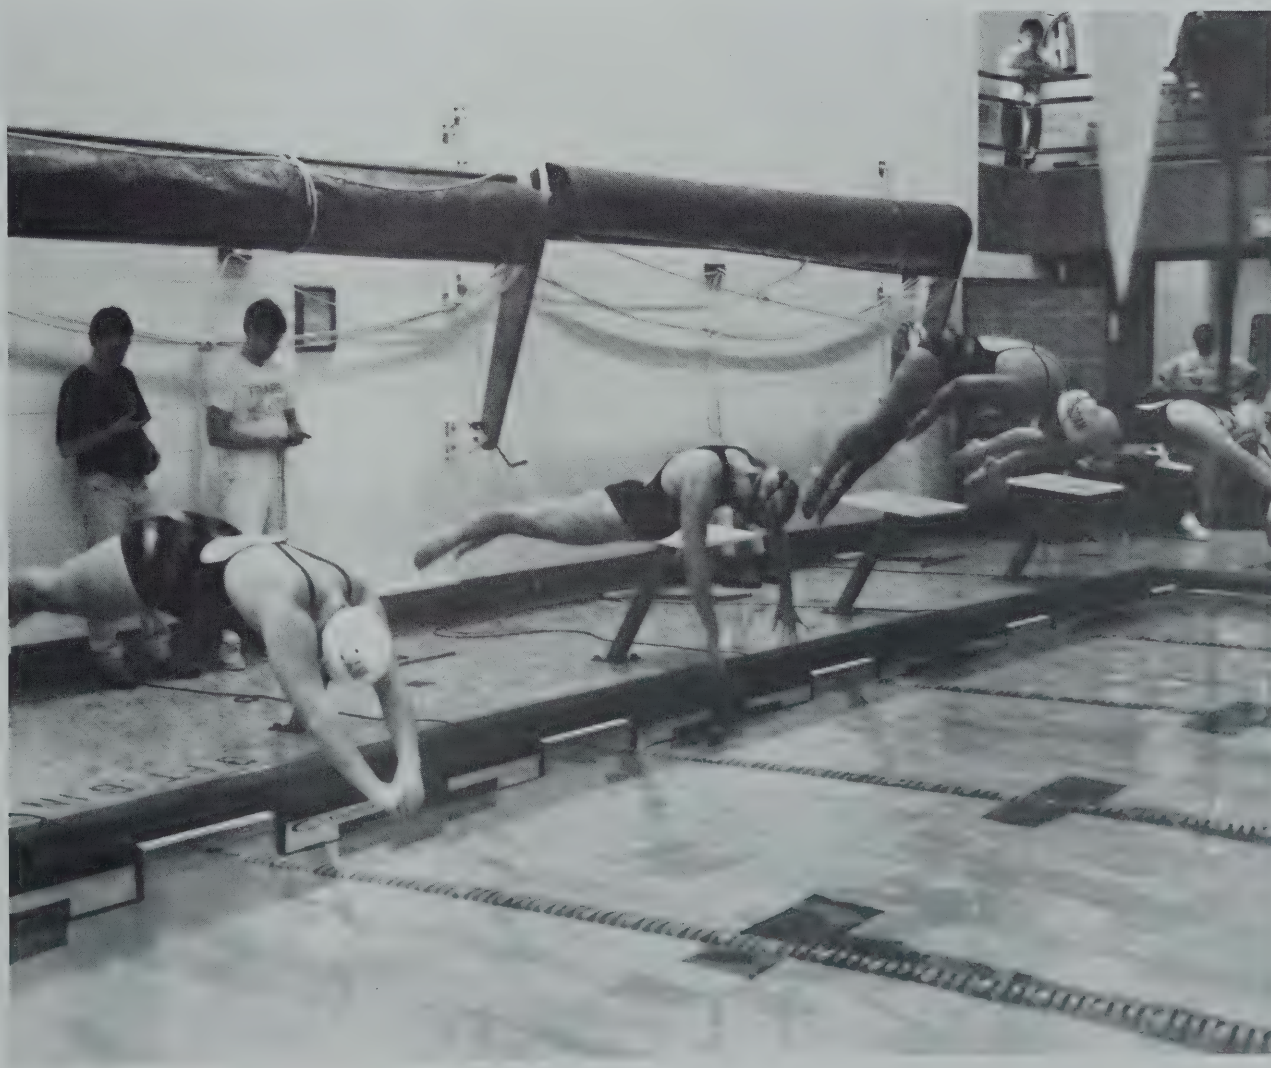

# WOMEN'S SWIMMING

The women's team finished the season with a record of 7-3, by far the most successful season in the team's 13-year history. Six members of the Lady Knight team qualified for the New England Championships because of their substantial performances in the State championships: team captains Karen Crider '91 and Heather Babcock '91 Jennifer Bianchi '93, Amy Foley '93, Jeanne Zadrozny '93 and Patty Hedges '94.

Team Members: Karen Crider, Heather Babcock, Susan Fumagalli, MaryKay Robertson, Jen Scanlon, Jennifer Bianchi, Amy Foley, Jeanne Zadrozny, Patricia Hedges, Angela Frye.

The Ice Knights found themselves in an unfamiliar position this season. They posted a final season record of 6-12-2, but showed signs of improvement as they entered the final two weeks of the season. After suffering through a ten-game losing streak and with any chance of ECAC post-season play gone, the Knights played "spoiler" in the final two weeks of the season, picking up three wins and two ties against the league's best teams. Head coach Lou DiMasi was forced to begin the season with a young team, as the Knights lost nine players to graduation last season.

Mark Needleman '93, led the team in scoring with eight goals and eight assists (16 points). SMC's goaltending was nothing short of excellent this season. Captain Mark Crowley '91 was one of the top goalkeepers in ECAC Division III hockey. He recorded a save percentage of .909, a 3.86 goals against average, and was named ALL-ECAC at the close of the season. Crowley shared the net this season with Bill Heney '91, who maintained a save percentage of .908, and a goals against average of 4.27. Heney was also among the ECAC's top five goalies in both categories.

The men's and women's ski teams continued their tradition of excellence this season, finishing second in the Division II Championships! The nordic teams had the most successful season in the history of cross-country skiing at Saint Michael's, thanks to the determination of head coach Craig Ohlson and his athletes. Rachel Hatch '93 absolutely dominated the competition in her first season of collegiate nordic skiing. She took first place in virtually every meet this winter, and capped it off with a first in the individual Division II championship race. She is the first Saint Michael's skier to win the individual title since Lynda Johnson '86, in February of 1985. Hatch struck gold again later in the meet, as she teamed up with Lady Knight racers Lisa Lambert '91 and Colleen McBrien '93 to win the championship relay. These three women culminated their great season by being named ALL-East by the EISA, and qualifying for the Division I Regional Championships. The men's nordic team also did very well at the title races. Andy Gelinas '93 finished second in the individual race, and he teamed up with John Dempsey '91 and Tim Flynn '93 to finish second in the title relay. Gelinas and Dempsey were also named Saint Michael's All-East, and honored with invitations to the Division I Regionals. The alpine teams, had a great championship meet. Under the leadership of first-year head coach Lew Erber, the teams placed four skiers on the EISA All-East team. From the women's team, Brooke Bobela '93, Lori McClellan '93 and Jodie Bush '93 were named, and Shelby King '91 was also honored from the men's team. Bobela and McClellan were rewarded for their outstanding efforts at the Division II Championship by receiving invitations to the Division I Regionals. Bush and King were named alternates for the event.

# STUDENT ASSOCIATION

The theme of the 1990-91 Student Association year was "Making the Difference." Lead by President Keryn Wood and Vice Presidents Paul Lagermasini (Feb. '90-Oct. '90) and Robert Teas the S.A. worked towards the goal of "Making St. Michael's College a safer place to be." Over the course of the 1990-91 year the S.A. tackled the important issues of AIDS, alcohol awareness, racial diversity, and new parliamentary procedures.

Attendance, at this year's S.A. meetings, was higher than usual allowing for more active and often more controversial discussions. The S.A. worked towards educating the campus on issues through open forum discussions and S.A. sponsored programs. The role of the Student Association as a campus educator caused it's members to focus on St. Michael's as a community rather than an institution. The S.A. realized it was up to the students to educate and inform themselves.

During the 1990-91 year the S.A. funded the causes of Vermont Cares, Desert Storm, and the COTS walk-a-thon.

# MOVE

MOVE seeks to act upon the theoretical mission state of Saint Michael's College, bearing out the words pertaining to the Gospel message of service. We are committed, like Margaret Mead, to the belief that we need "never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has."

Our structure developed from the inspiration of Wayne Meisel, the former director of COOL (Campus Outreach Opportunity League) who visited our campus in the Spring of 1987, spoke about potential community service programs, and challenged us to develop one ourselves. Julie Cronin acted as the first student coordinator for MOVE; Julie was followed by Brian Donahue in 1988. A 1988 graduate of St. Michael's College, Brian helped expand the MOVE program to work more fully and efficiently throughout the community. Presently, Neila Anderson-Decelles, also a 1988 graduate of St. Michael's College is the Director of Community Service/MOVE.

Today, MOVE is a broad-based community service organization of the Office of Campus Ministry at Saint Michael's College which strives to instill in each member of the community a sense of service to others. We hope to channel the talents, creativity and energy of the Saint Michael's community into service programs that will enrich the Chittenden County community, especially the poor and disenfranchised.

It is the greatest mistake to do nothing because you can only do a little. Do what you can. -Sydney Smith

# 1-2-3 BREAK

MOVE stands for Mobilization of Volunteer Efforts. We're a service organization dedicated to two primary goals;

- 1) developing awareness of global needs for service to marginalized people, for example, homeless people, illiterate people, mentally challenged people and elderly people.
- 2) creating and implementing programs at Saint Michael's College, staffed by members of our community, that face these global challenges on a local level.

# ARNOLD AIR SOCIETY

The Champlain John Verret Squadron's activities have focused mainly on community service and integrating Air Force ROTC with campus activities. The Arnold Air Society's activities for this year included: blood drives, nursing home visits, night ski trips, environmental service projects, attending national conventions and support for our forces in the Middle East. **Members:** Christopher Barnes, Karl Boehle, Paul Burdulis, Shawn Crapo, Mark Donofrio- commander, Shane Dugay, Laura Declue, Jeremy Guenet, Karen Libby, Jeff McNulty, Scott Mosher, Shannon O'Boyle, Beau Rennert, Kelly Roof, David Treybal, and Jennifer Winslow.

# COMPUTER CLUB

The Computer Club is a nationally recognized member of the Association of Computing Machinery. The club generally sponsors four to six talks each year. In addition, the Computer Club sponsors programming teams which participate in one contest each semester against other prestigious schools from New York and New England. Another important activity is the club's newsletter, "Bit, Bytes, Words & Nybbles" which is distributed once each semester. **Members:** Mark R. # COFFEEHOUSE

The Coffeehouse Committee, consisting of Kerry Courcey, Chairwomen; Heather Hogan, Julie Messenger, Wendy Donna, and Jason Haluska, provides St. Michael's with a variety of low budget, high quality entertainment. The events are held every other Saturday night in Alliot, McCarthy Arts Center, or the Rat. Activities are always free for all St. Mike's students. Entertainers consisted of St. Michael's students, local Burlington performers, and other regional performers. During the 1990-91 year coffeehouse sponsored comedians from the Boston Comedy Company, a hypnotist and much more. Coffeehouse strives to suit the interests of the students at St. Michael's.

# FIRE AND RESCUE

St. Michael's Fire & Rescue has been providing ambulance and fire coverage to the college campus and surrounding communities since late 1969. It operates 24 hours a day, 365 days a year. The student-run squad currently responds to over 1400 calls a year - that is more than 3 calls a day.

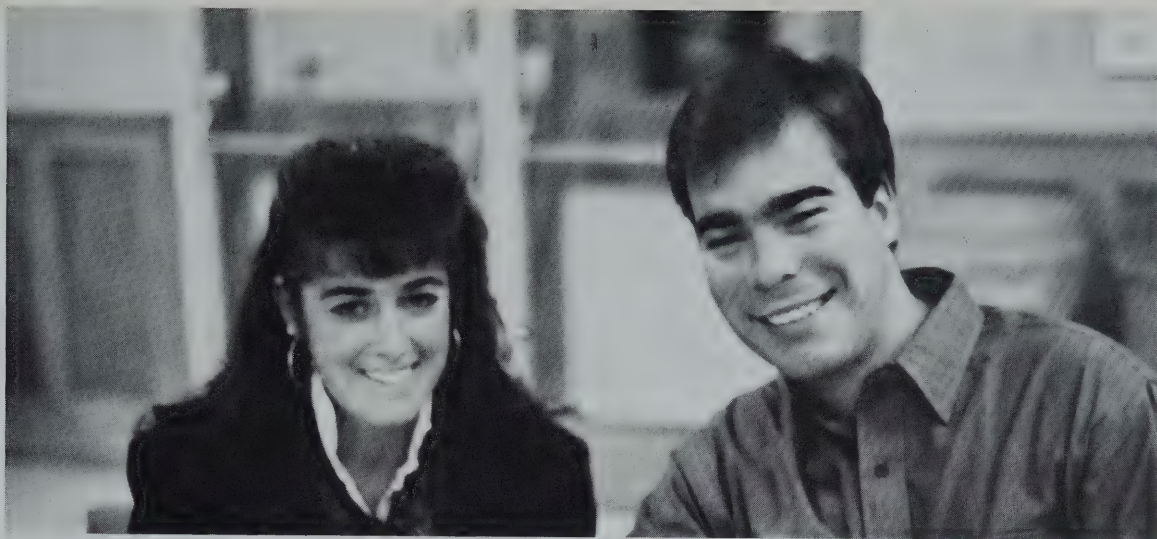

The Fire Unit responds to calls in the Colchester area with two pumpers and an 85-foot ladder truck. The members are certified in interior fire suppression, water supply operations, search and rescue, and vehicle extrication. The department is a battalion of the Colchester Center Volunteer Fire Company and in addition to the weekly department training, there is a weekly mutual training session with Colchester Center as well as periodic fire schools.

The rescue unit covers Winooski, Williston, St. George, Hinesburg, and Interstate-89 as well as the college campus. Members are certified as Emergency Medical Technicians. # PEACE AND JUSTICE

The Peace and Justice Committee of the Student Association enjoyed a very productive year in 1990-91. Throughout the year, co-chairs Celeste Viger and Dan Murphy sought to work closely with other student organizations in bringing important social issues to the forefront of campus discussion. In conjunction with the SMC chapter of Amnesty International, the Peace and Justice Committee kicked off the year in early September with a lecture by David Hinckley, former Executive Director of Amnesty International. During the month of November Dr. Michael Radelet of the University of Florida, delivered a lecture on capital punishment to a capacity crowd in the Farrell Room. Peace and Justice participated in International Awareness Week in mid-November by offering a slide show and presentation on EL Salvador as well as sponsoring a Montreal band at the closing ceremonies of the week. Other first semester activities included collecting clothes and toiletries for the victims of the North Campus fire.

Operation Desert Storm served as the central focus of the second semester for Peace and Justice. On January 28th, Peace and Justice assisted the Office of Human Resources and several faculty members in organizing a teach-in on the Middle East which was presented to a standing-room-only crowd in the McCarthy Recital Hall. On February 7, 1991 former CIA agent Bruce Hemmings spoke about his 20-year experience in the Middle East. On March 3rd, the Mother Courage Peace Tour visited Saint Michael's College. Women from Egypt, Israel, Turkey and Palestine shared their feelings concerning their children's involvement in the war, stating their desire to bring their children home.

February 10-17th marked Hunger and Homelessness Awareness Week. In conjunction with the MOVE office, Peace and Justice organized a week of activities ranging from a World Banquet, a solidarity vigil for homelessness in the quad, and a One World Show.

February was Black History Month, during which time Peace and Justice sponsored two movies, "Rhythm of Resistance" and "Black Orpheus" in attempting to bring about a greater awareness of black history and culture.

In March, Dr. Gar Alperovitz of the National Center for Economic Alternatives offered a lecture concerning alternatives to the bombing of Hiroshima and alternatives to war. Programs concerning environmental awareness highlighted the month of April.

The war in the Persian Gulf served as a means through which student interest in social issues heightened. The Peace and Justice Committee would like to thank students and members of the campus community for their cooperation with several programs. Special thanks to Father Mike Cronoque, Coordinator of Peace and Justice and Jennie Cernosia of the SMC Lecture Series.

## SAA

The Student Admissions Association is an organization designed to increase student awareness and participation in the admissions process. Students serve as tour guides, admissions representatives, and presentation facilitators. The SAA provides students with the opportunity to meet and talk with many different types of people. SAA members introduce and acquaint people with SMC, ultimately influencing their decision to attend. For students interested in the quality and reputation of SMC, this is an excellent opportunity to support it.

Students involved in the SAA benefit through the experience of giving tours and facilitating presentations. Students develop and sharpen their communication skills. By encountering so many different types of people, members learn more about themselves and derive satisfaction from this knowledge.

# PROGRAMMING BOARD

The Programming Board is a team of members that work together to organize social events on campus, providing a variety of quality entertainment. The Programming Board meets once a week, with each committee providing a report on what it has been working on at the time. We've discussed, at these meetings, campus issues and their relation to programming events. We've tried to meet the needs and interests of all students on campus.

# MLK

The Martin Luther King Society is an inter-cultural/inter-racial group of women and men who interact to promote the principles of Dr. Martin Luther King Jr. Through cultural awareness programs, poetry readings, music, social activities and art exhibits MLK is able to achieve its goals of cultural awareness. In addition to these activities, MLK demonstrates community concerns by conducting a Thanksgiving food drive for needy families. It is also the objective of MLK to interact with other student groups in the area who espouse a similar agenda and to assist such social service oriented groups (i.e. MOVE) with their volunteer work.

# BACCHUS

*L to R:* Anne Marie Harvey, Maureen Baker, John Matte

BACCHUS stands for Boosting Alcohol Consciousness Concerning the Health of University Students. BACCHUS is a nationwide organization whose philosophy is based on the premise that young people play a uniquely effective role unmatched by professional educators in encouraging their peers to reflect on and talk honestly about their attitudes and behaviors. BACCHUS recognizes the important and positive role alcohol has held in social and religious activities and promotes responsible decision-making concerning its use or non-use. BACCHUS stresses moderation when drinking: knowing when to stop and when others are getting out of hand. It is this knowledge of moderation that separates the INTELLIGENT drinker from the OVERDOER.

The foremost goal of BACCHUS is to provide substantial, useful information to students concerning the use of alcohol, both on and off campus. Through education programs, speakers, and special presentations during Drug and Alcohol Awareness Weeks, BACCHUS hopes to attack long-standing myths about college student drinking and address the needs of the college community. Secondly, BACCHUS realizes that there is more to do around the Burlington/Winooski area than to get "hammered" in the dorms, or go bar hopping on weekends. BACCHUS plans activities including sleigh rides, sunset cruises on Lake Champlain, Harvard football game trips and movies and shows on campus. Vermont is only as small as you decide to make it! There is a whole new world out there!! Finally, BACCHUS serves as a meeting place for students. Often, freshmen (and upperclassmen) feel left out because they either do not or cannot drink . . . why worry? BACCHUS is a great way to meet other classmates, many with the same ideals and values. Most members are very open and know how to have a good time.

# DEFENDER

*Front L to R:* Sarah Dowley, Kerry Kiernan, Colleen Scully, *Back L to R:* David Adornato, Dan Provost, Mike Provost, Keith Leonard, Matt Mowry.

The Defender tried to improve the news content of the paper this year. The main goals were to cover campus news more extensively and do more in-depth articles. Outstanding successes for this year included the sexuality special section, our war issue and full page photo essays, and who could forget the Defender extra, full of those adorable baby faces.

# CHORALE

The St. Michael's College Chorale, under the direction of Dr. William Tortolano, is composed of approximately 35 members, all with varying degrees of musical backgrounds and experiences. The musical repertoire includes everything from classical pieces and Negro spirituals, to Broadway show tunes. Yearly concerts are held at Christmas and during Parents' Weekend, as well as during Homecoming. Spring tours have found the group in New York City; Biddeford, Maine; Boston, Massachusetts; Pittsfield, Massachusetts and Baltimore, Maryland, just to name a few. The Chorale has also performed at a number of churches in Canada as well as at the Montreal Museum of Fine Arts.

# WOMEN'S LACROSSE

Top: Betsy Curtis, Jenny Kay, Ginny Dowd, Jenny Frame, Missy Tivan, Sara Commins, Liz Woods, Megan Gately, Amy Ford, Jane Hannon, Blake Nicolazzo, Bonnie McCloud, Kristine Kenniston, Kim Kennedy, Kelly Meehan, Maureen Rooney, Betsy Reilly, Rachel Hatch, Allyson Bradley, Kristen Patrick, Coach Larry Bayle, Heatherly Hill, Bottom: Beth Mullane, Kim Beatty, Racheal Neiger, Stash Cioni, Robin Milo, Diana Scannel, Deb Parrett, Linda Scannel, Edith Duncan, Kim Garritta

The 1991 Women's Lacrosse team, led by 2 year captain Ginny Dowd and co-captains Diana Scannel, Jane Hannon and Maureen Rooney finished the season with their fourth coach. Seven seniors started for the 6-5 lady Knights. Although the team faced big defeats against rivals Middlebury and Springfield College they celebrated victories over Bridgewater and Castleton State. Freshman stand-out Edith Duncan had a fantastic season, leading the team with 22 goals. **GOOD LUCK LAX! ST. MICHAEL'S WOMEN'S LACROSSE RULES!!!**

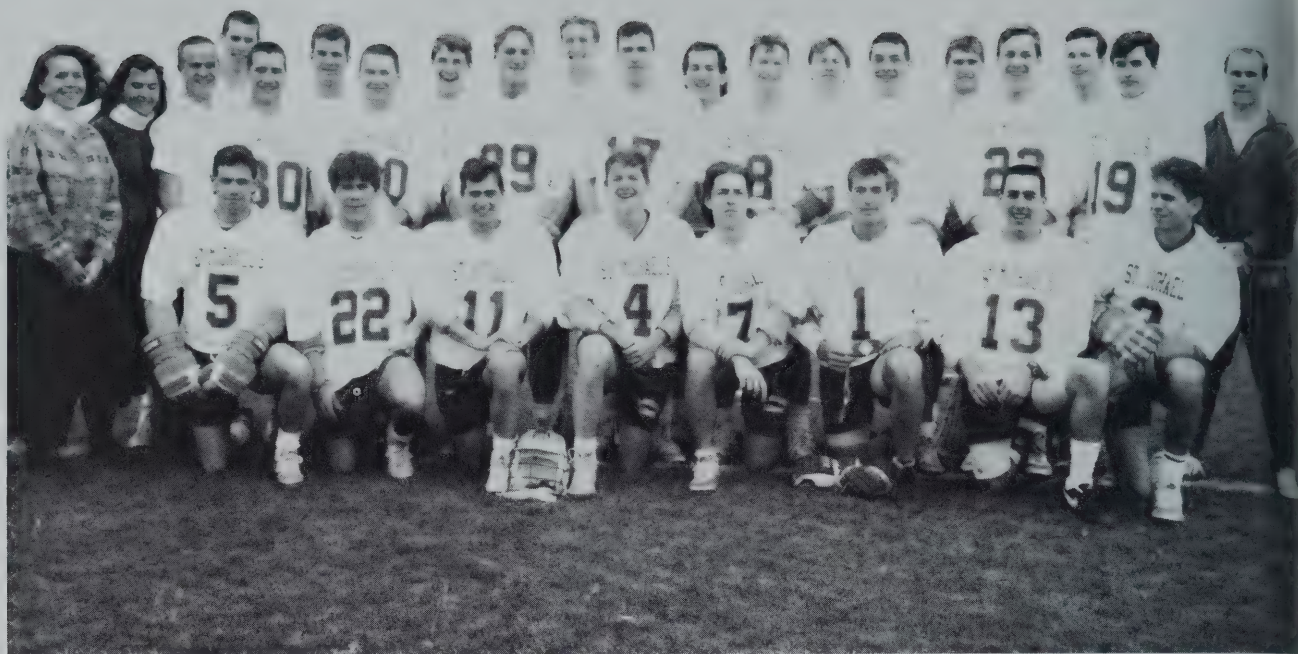

# MEN'S LACROSSE

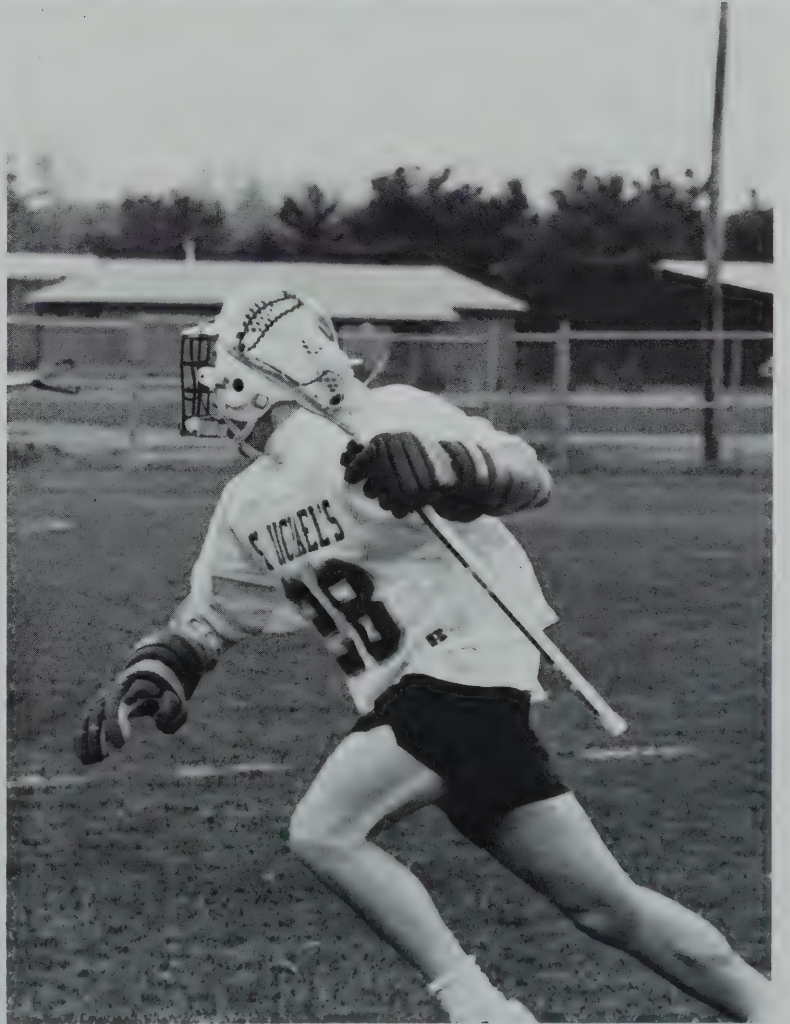

Back row: Mngrs. Arlene James & Colleen Sullivan, Bob Periman, Tim Hodson, Andrew Curran, Mike Brunell, Matty Dastin, Kevin Brennan, Brian Walker, Paul Johansen, Middle row: Jason Cameron, Joel Ruof, Phil Conley, John Rampone, Derek Rynne, Jamie Hofman, Stephen Andrews, Rob Robinson, Kevin Terry, Coach John Castle, Front row: Andrew Gelinis, John Milner, David Dilmeier, Tom Blake, Jeff Nicolo, Rich Saba, Jimmy Kuczo, Patrick Mellor.

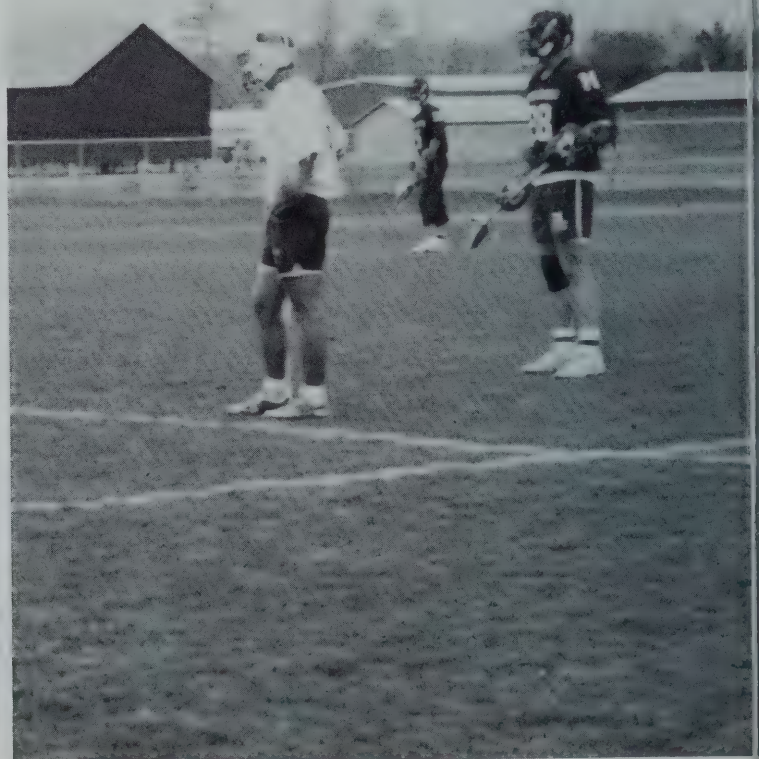

The men's lacrosse team bounced back nicely from their 2-9 record a year ago. The team's top three scorers of the season were Brian Walker '91 at 20-13-33, Paul Johansen '91 at 15-18-33, and Rick Saba '92 at 24-4-28. With career point totals of 62-35-97, Walker has moved into fourth place on the all-time SMC scorer's list, and is sure to become only the fourth player in SMC lacrosse history to break the 100-point barrier in a career. Saba is also rapidly climbing the all-time list with career totals of 63-20-83. Goalkeeper Steve Andrews '92 has been exceptional in the SMC net this season, maintaining a .607 save percentage.

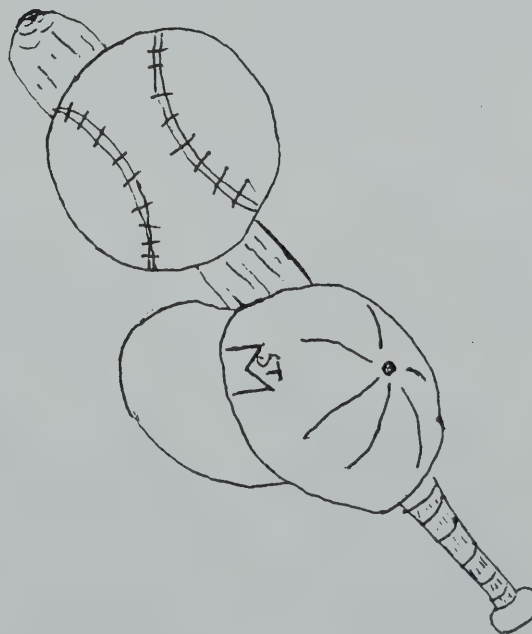

# SOFTBALL

Top: Coach Nancy Lubinski, Stacie Arnold, Beth Grelend, Kathleen Cleary, Ellen Manning, Kristin Agerhty, Sue Gavenas, Jaime Cronin, Asst. Abby Hambrook, Manager Bruce Zeman, Bottom: Suzanne Denault, Kathy Morse, Jill Rouillard, Myra Ellis, Mandy Messier, Becca Hajjar.

Like the baseball team, the softball program also worked hard to build itself up to the high level of competition in the NE-10. The Lady Knights' versatility had been hampered by a small roster. Led by head coach Nancy Lubinsky '83, SMC had two players hitting above .300 — Jill Rouillard '93, batting .326, and just behind her, Suzanne Denault '93, hitting .325. The Lady Knights' top hurler is ironwoman Ellen Manning '93, who has pitched in 16 of SMC's 18 games, and led the Knights to their 13-6 win over Johnson State.

# BASEBALL

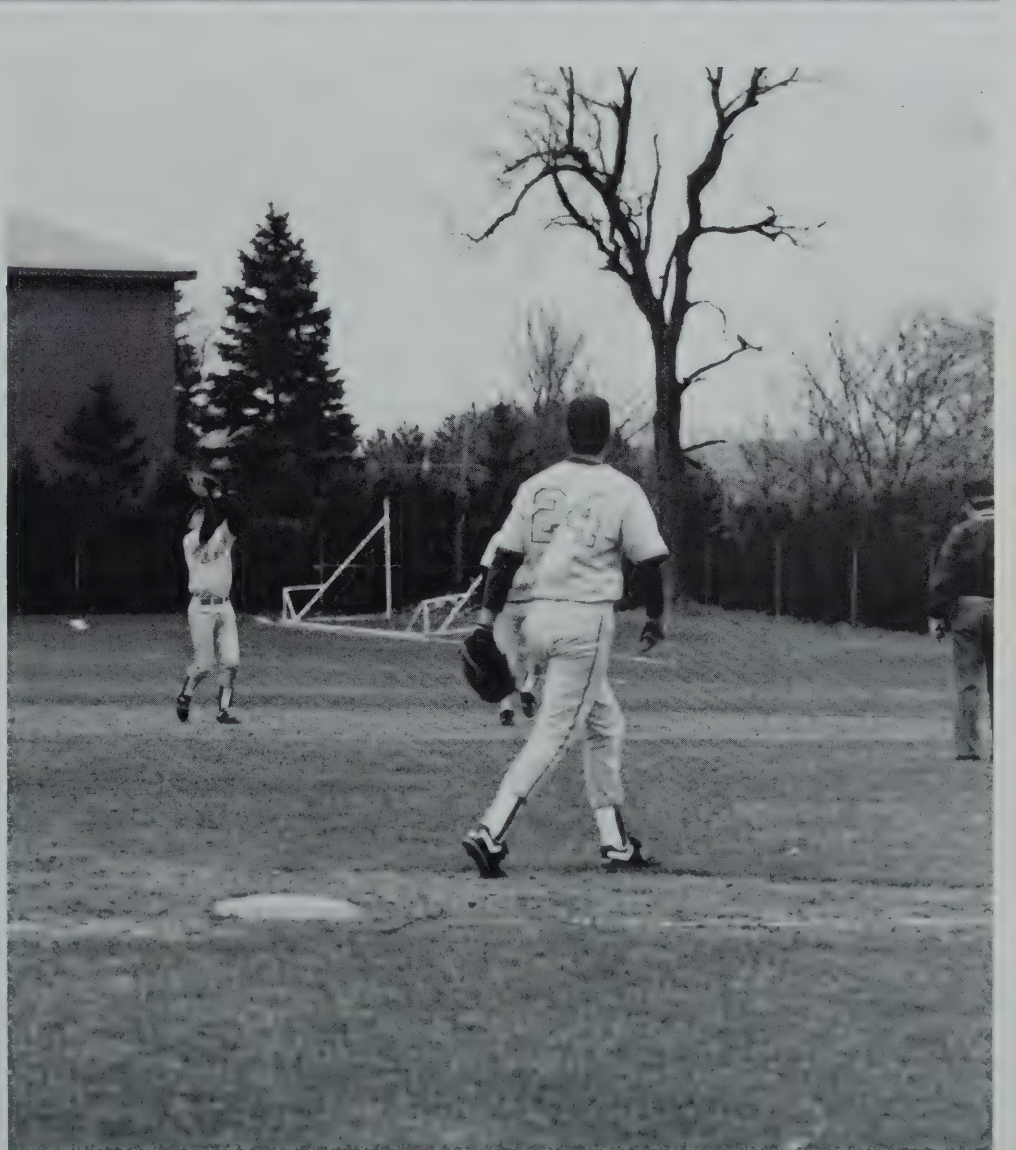

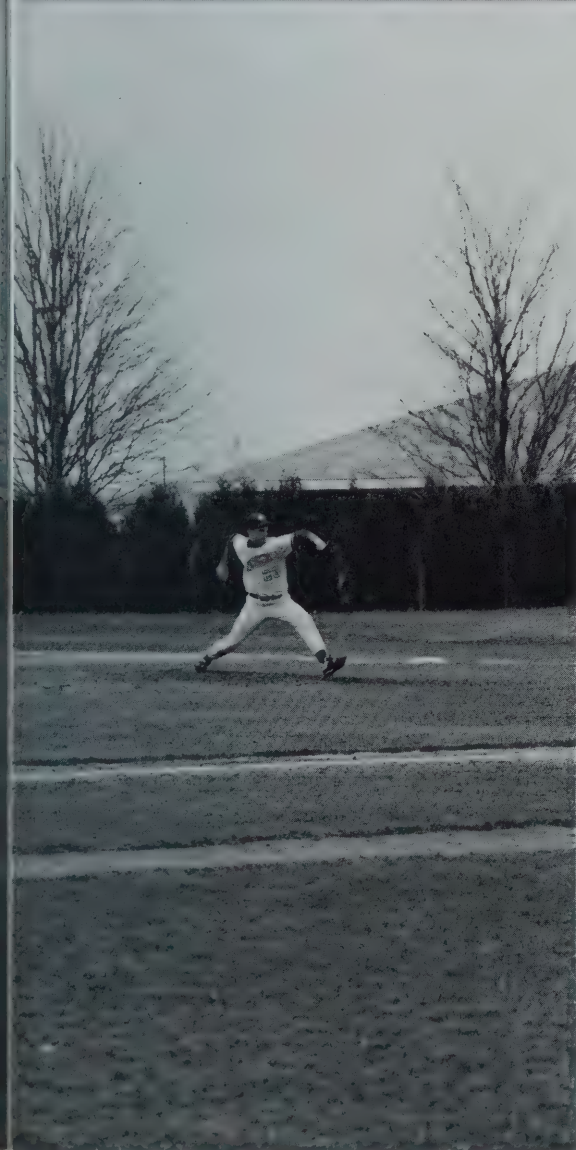

Top: Reid Crosby, Mike Ryan, Rob Teas, Mike Hakey, Mike Reidy, Jeff Boucher, David Bierworth, Mark Forgues, Brian Rayder, Rob Russo, Matt Clark, Vick Koman  
Bottom: Coach Len Whitehouse, Rob Hopper, Jim Barten, Nate Gahr, Chris Loche, Sean Finnell, Andy Starr, Head Coach Perry Bove, Coach Greg Wells  
Front: batboy David Bove

Now in its second year of existence since 1981, the baseball team has made great strides in building their program up to the level of excellence held by other members of the Northeast-10 Conference. Led by head Coach Perry Bove and owning a respectable record. Last spring, SMC was outscored by an average of nearly nine runs per game by the opposition. This season, that margin has been cut to a little over two runs per game. Leading hitters for the Knights were Jeff Boucher '93 with a .362 batting average; Bryan Rayder '93 with a .333, and Rob Russo '92 with a .327. On the mound, SMC's top pitcher Rob Hopper maintained an incredible earned run average. Russo also pitched well this season.

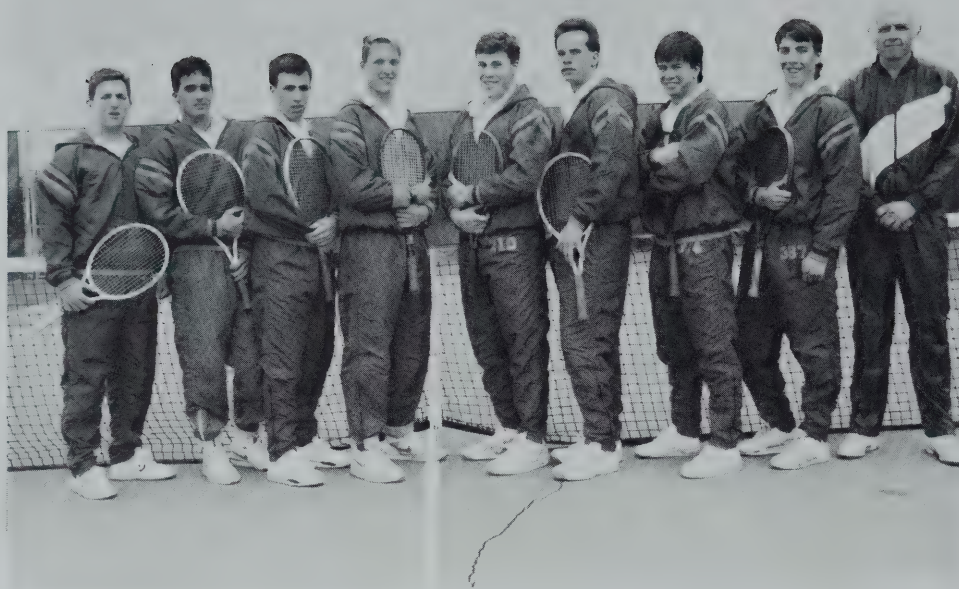

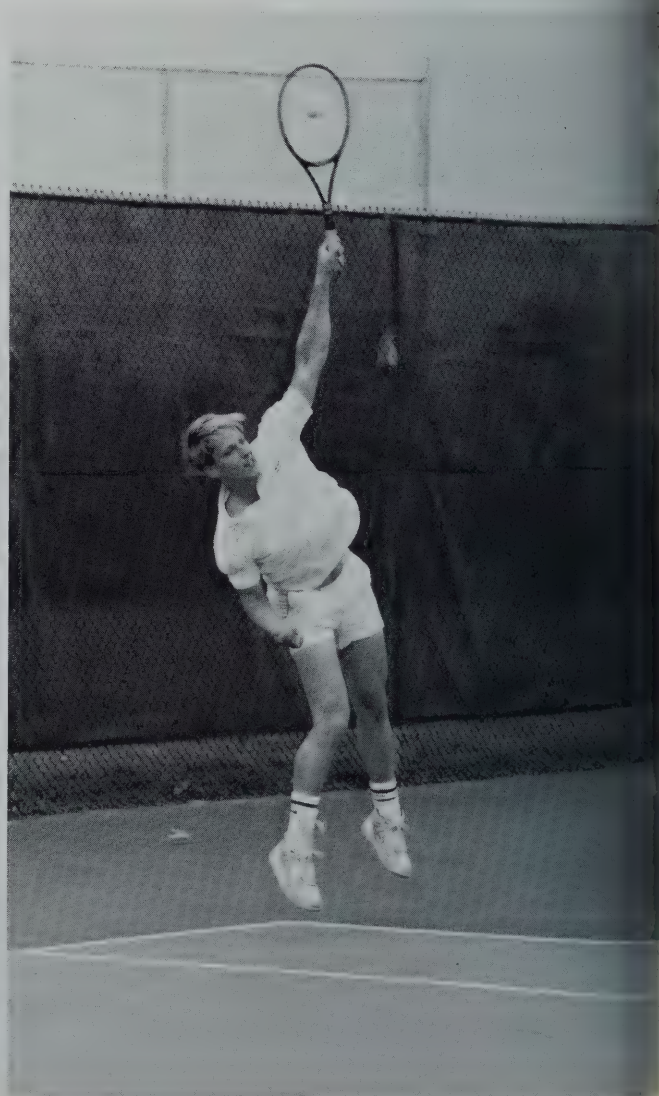

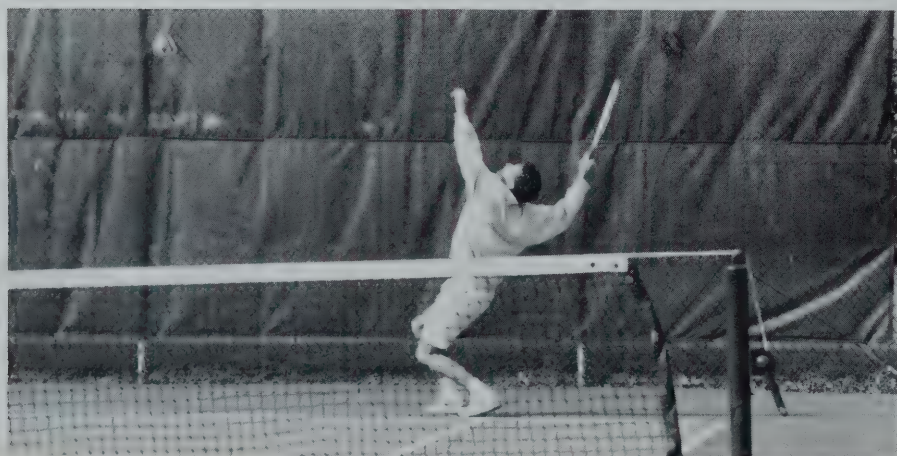

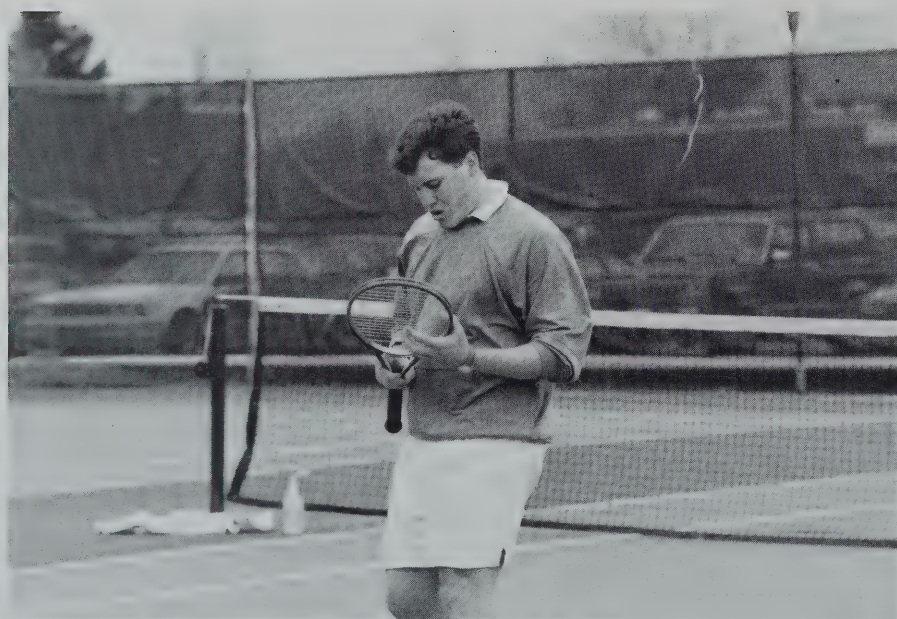

# MEN'S TENNIS

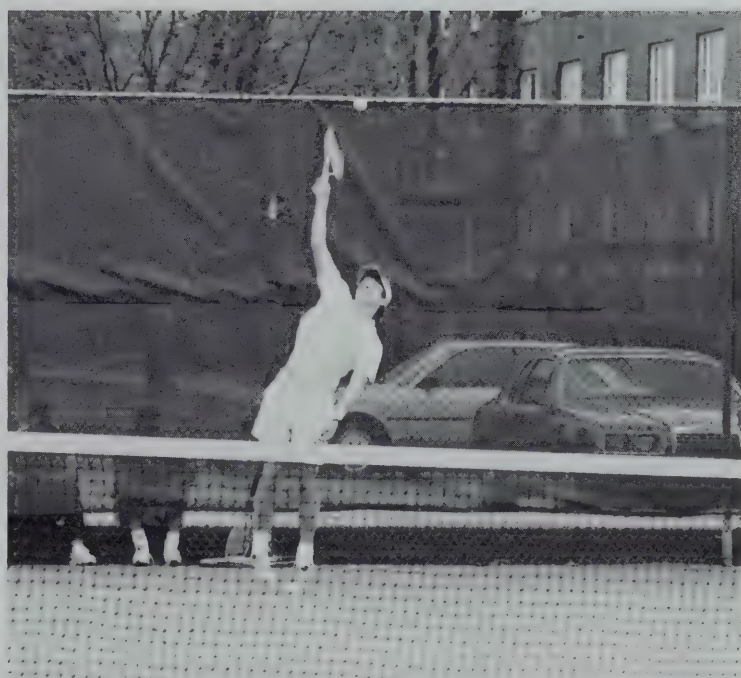

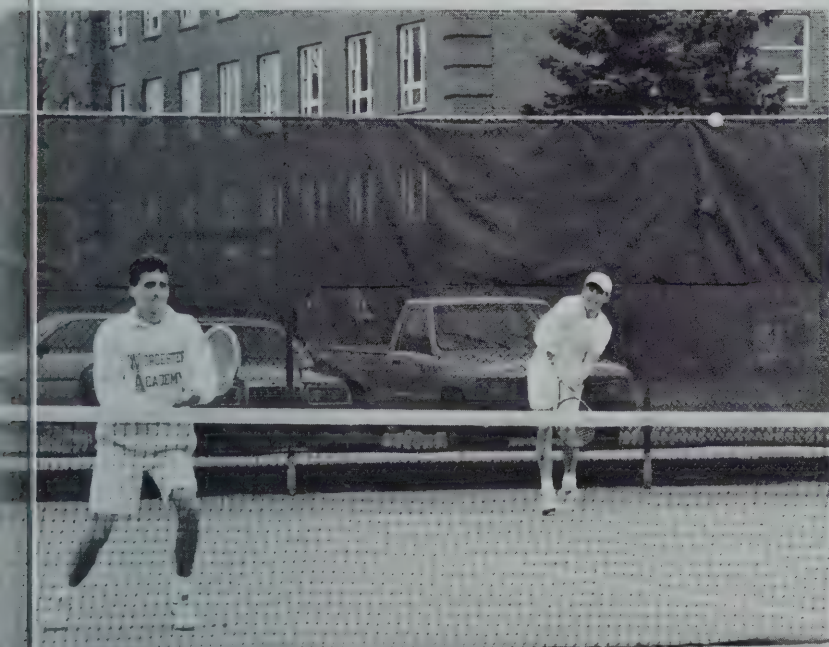

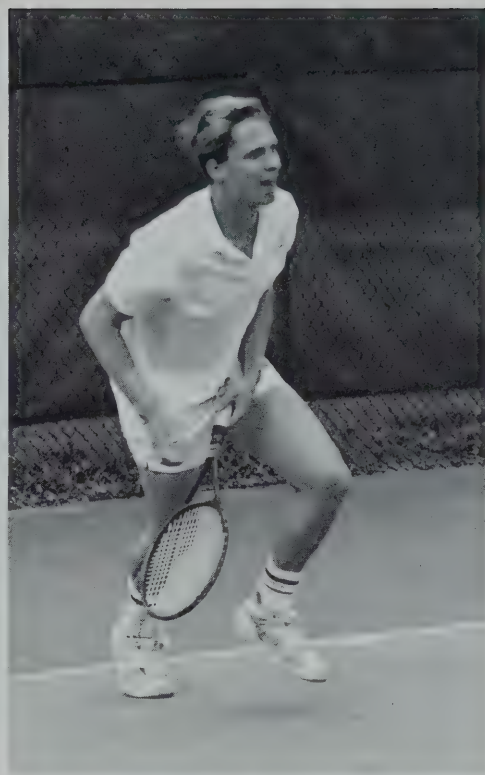

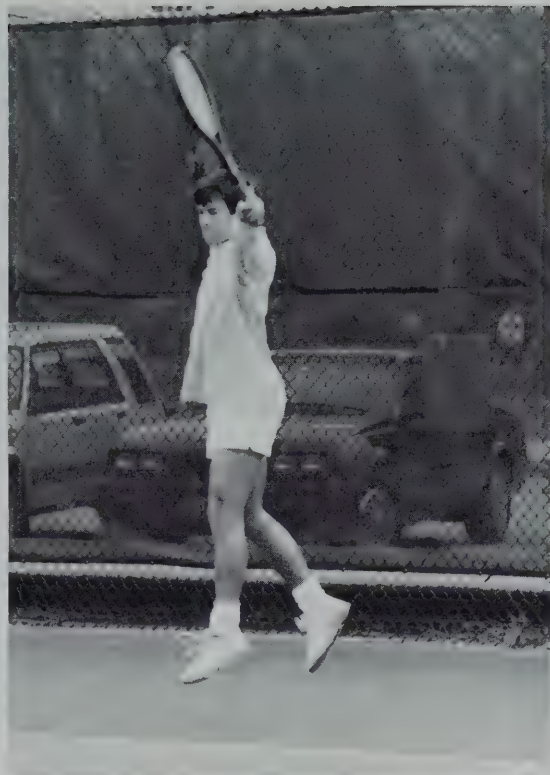

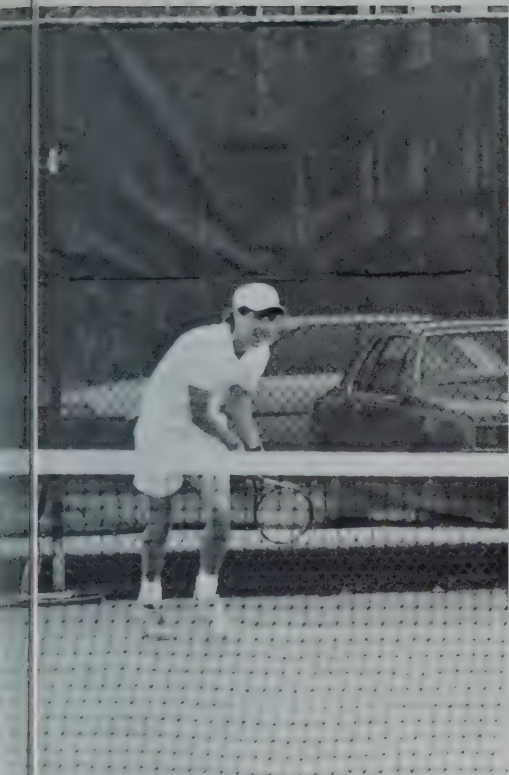

L to R: Benjamin Wynn, Mike Neal, Jeffrey Arimento, Jeff Brazinsky, Philip Noto, Kevin Birch, Robert Woodman, William Shea, Coach George Shaw

Under the persistent leadership of Coach George Shaw, the men's tennis team enjoyed one of their best seasons ever. The team boasts one of the most successful records in SMC tennis history in a decade. Team captain Jeff Brazinsky '91 was the team leader on the courts, playing almost every match as the Knight's #1 seed. Mike Neal '92 is right behind Brazinsky, holding the #2 seed in team ranking. Things look very promising for the team, as Brazinsky is the team's only senior, and seven experienced players will return next year.

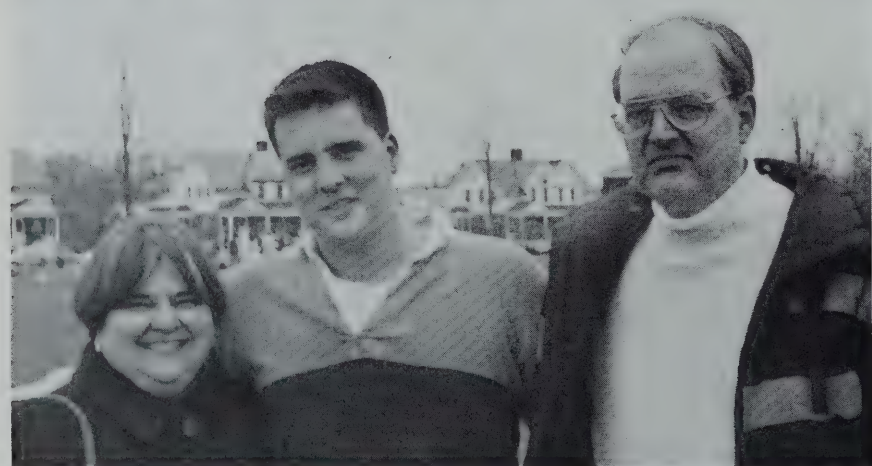

# PARENT'S WEEKEND

# SPRING SEMI

### LIVE EACH DAY TO THE FULLEST . . .

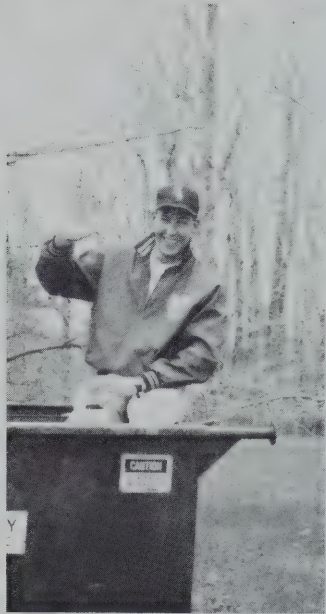

Live each day to the fullest.

Get the most from each hour, each day, and each age of your life. Then you can look forward with confidence, and back without regrets. Be yourself - but be your best self. Dare to be different and to follow your own star . . . and don't be afraid to be happy. Enjoy what is beautiful. Love with all your heart and soul. Believe that those you love, love you. When you are faced with a decision, make that decision as wisely as possible - then forget it. The moment of absolute certainty never arrives. Above all, remember that God helps those who help themselves. Act as if everything depends on you. And pray as if everything depends on God.

## **"ONE OF LIFE'S RISKS IS NOT TAKING A RISK**

**TO DARE TO LAUGH IS TO RISK  
APPEARING THE FOOL. TO WEEP IS TO  
RISK APPEARING SENTIMENTAL. TO  
REACH FOR ANOTHER IS TO RISK  
INVOLVEMENT. TO EXPOSE YOUR  
IDEAS, YOUR DREAMS, BEFORE A  
CROWD IS TO RISK THEIR LOSS. TO  
LOVE IS TO RISK NOT BEING LOVED  
IN RETURN. TO LIVE IS TO RISK  
DYING. TO BELIEVE IS TO RISK  
FAILURE. BUT RISKS MUST BE TAKEN,  
BECAUSE THE GREATEST HAZARD IN  
LIFE IS TO RISK NOTHING. THE PEOPLE  
WHO RISK NOTHING, DO NOTHING,  
HAVE NOTHING, ARE NOTHING. THEY  
MAY AVOID SUFFERING AND  
SORROW, BUT THEY CANNOT LEARN,  
FEEL, CHANGE, GROW, LOVE, LIVE.  
CHAINED BY THEIR ATTITUDES. THEY  
ARE SLAVES; THEY HAVE FORFEITED  
THEIR FREEDOM. ONLY A PERSON  
WHO RISKS IS FREE.**

**TO THE CLASS OF 1991 . . .**

**IN 1987, WE ALL TOOK A RISK,  
CHOOSING TO COME TO SAINT  
MICHAEL'S COLLEGE. THE FOUR YEARS  
THAT FOLLOWED PROVED TO US  
THAT THAT RISK WAS WELL WORTH  
TAKING. AS WE EACH GO OUR  
SEPARATE WAY IN LIFE, LET US DARE  
TO MEET EACH NEW RISK THAT FACES  
US, AND REMEMBER THAT THE  
THINGS WE GAIN WILL BE MORE  
BENEFICIAL THAN THE THINGS WE  
LOOSE.**

# DEDICATION
